

INCENTIVES FOR NEW XETRA PARTICIPANTS

Become a new Xetra® member and save up to six months connectivity fees. You will profit from our attractive offer:

Connectivity

For Trading Members admitted at Frankfurter Wertpapierbörse (FWB®, the Frankfurt Stock Exchange) who had not been connected via own connections or a Multi-Member Service Provider to the exchange trading place Xetra before the migration to T7 and who have established a connection in Co-location until 30 June 2019, no fees will be charged for the first six month period of connection in Co-location, in maximum until 31 December 2019 for

- a redundant connection via a Xetra Multi-Interface channel including GUI channel or
- a redundant 10 Gbit/s connection in Co-location 2.0 to T7 / Xetra market data and T7 / Xetra transactions.

Affiliated companies of already active Trading Members are not eligible for this offering

This fee waiver comprises of a redundant connection via a Xetra Multi-Interface channel including a GUI channel or redundant 10 GBit/s connection in Co-Locations 2.0 Xetra market data (EMDI, EOBI) and Xetra transactions (ETI, FIX).

In addition eligible new trading members will also receive trading sessions for the purpose of trading on T7 free of charge up to the value of €2.000 per month.

Trading

New trading members will receive a transaction fee waiver of €3.000 per month for the first 12 months of Xetra membership.

Affiliated companies of already active Trading Members and Multi-Member Service Providers are not eligible for this offer.
