Xetra Circular 031/19

REMINDER: Xetra circulars: New subscription procedure with registration requirement

With this circular we would like to remind you of an important required action:

On 21 March 2019, Deutsche Börse AG announced a fully revised and improved subscription procedure for Xetra circulars (see attached Xetra circular 020/19).

Due to requests from our clients for more time to prepare for the transition, the introduction date of the new procedure and new subscriptions will be postponed to **Monday, 20 May 2019**.

Important: All current Xetra subscriptions will be deleted after **Friday, 17 May 2019** (exception: subscriptions of Xetra Central Coordinators).

Therefore, it is important that you enter your new subscriptions **before Monday, 20 May 2019** on our dedicated subscription page (if not already done) in order to continue receiving Xetra circulars.

The subscription is complete once you have clicked on the link in the resulting confirmation e-mail you will receive.

If you have any questions or need further information, please contact your Key Account Manager Trading.

Xetra Circular 020/19

Xetra circulars: New subscription procedure with registration requirement

Summary

On **15 April 2019**, Deutsche Börse will launch its new concept for Xetra circulars with the following features:

- New subscription procedure allowing immediate sign-up
- New, more granular subscription categories

The process for Xetra circulars has been fully revised and significantly simplified in order to improve usability for our Xetra Members.

Action required:

The new process will have an impact on all recipients of Xetra circulars, as a renewed subscription will be required, due to personal data protection reasons. All current subscriptions for circulars **will be deleted** after 12 April 2019.

This circular informs you about

- the changes and resulting benefits
- the new subscription categories
- how to remain updated

Xetra circulars: New subscription procedure with registration requirement

In order to harmonise communication and reduce complexity for Xetra Members, the current approach of subscribing to Xetra circulars via the Xetra Member Section will be replaced by a new, integrated subscription service

As of today, Xetra Members are able to subscribe to Xetra circulars directly on the Xetra website under the following link:

https://www.xetra.com/xetra-en/newsroom/circulars/circular-subscription

The re-designed information resources and newly introduced circular categories will allow Xetra Members and registered designated persons to make their individual choice of content, which they require for their activities with Xetra.

1. New subscription categories

We have completely revised the structure of the subscription categories you can select.

While the general topic “Xetra” remains, a new general topic “Open Market & Listing” has been introduced. Both topics are split into subtopics that are more refined. This new, more granular selection helps you to only receive the content which is relevant for you.

The new subscription categories for Xetra are:

- Regulatory/Compliance/Rules & Regulations
- Products, Functionality & Services
- Releases & Technology
- Pricing
- Designated Sponsors/Liquidity Providers
- Other subjects

The new subscription categories for Open Market & Listing are:

- Regulatory/Compliance/Rules & Regulations
- Pricing
- Other subjects

If you subscribe to a category, you will receive all corresponding circulars.

2. Required actions for customers in order to remain updated

Please be aware that all current subscriptions for Xetra circulars will be deleted after 12 April 2019. This measure is required due to the provision of a deeper granularity of categories and data protection regulations.

Action required:
Customers currently subscribed to Xetra circulars have to select their subscriptions on the new, dedicated subscription page and enter their e-mail addresses. Otherwise, they will no longer receive Xetra circulars as of 15 April 2019.
Please follow the steps below:

1. Go to our new subscription page https://www.xetra.com/xetra-en/newsroom/circulars/circular-subscription and subscribe to the topics for which you would like to receive updates. Once you have selected your categories and submitted your subscription, you will receive a confirmation e-mail which needs to be finally confirmed.
2. If you want to unsubscribe, please simply use the respective link in the footer of each circular or Readiness Newsflash.

Starting 15 April 2019, Deutsche Börse will also harmonise its several e-mail addresses used. From this date onwards, Xetra circular e-mails will use one single sender address: client.info@deutsche-boerse.com.

If you are using automated routines to handle your inbound e-mails, it might be necessary to adjust them or add the new sender address.

3. Impact for Xetra Central Coordinators only

All officially registered Xetra Central Coordinators (CCs) are required to receive all market updates and will therefore be automatically subscribed to all categories.

In case a change in the registration of a CC is required, please contact the Member Section Team via tel. +49-69-211-1 78 88 or e-mail: member.section@deutsche-boerse.com.

We strongly recommend to distribute this circular to the relevant parties within your organisation to ensure up to date information is always available and no important details are missed.

4. Timeline

Date	Activity
As of today	Availability of the new subscription service – from this day onwards, you are able to subscribe to the new categories which are of interest to you.
12 April 2019	Deactivation of the subscription service in the Member Section.
15 April 2019	Circulars will be distributed only on the basis of the new subscription procedure/new categories using the new e-mail address client.info@deutsche-boerse.com.
15 April 2019	Availability of the new categories folders for distributed circulars on the Xetra and Deutsche Börse Cash Market websites, the folder structure for distributed circulars before 15 April 2019 is available in an archive.

If you have any questions or need further information, please contact Information Management, e-mail: client.services@deutsche-boerse.com.
