Application form eListing Plattform

Access setup and designation of a Central Coordinator

- ☐ Initial application
☐ Change of the existing Central Coordinator
Previously: _____

- I. With this application, the company receives access to Frankfurt Stock Exchange's application tool "eListing Plattform" and appoints a Central Coordinator for the company. The Central Coordinator is responsible for the administration of user accounts and access rights within the portal and has to ensure that only authorised staff are granted access. Once the application is approved, the Central Coordinator receives an email with his/her login details and an explanation of how to set up access for the company's employees and how to assign their roles regarding the processor functions.

- II. Details of the Company:

Name of the Company

Street

House number

ZIP Code

City

Legal Entity Identifier (if available)

Member ID (if available)

(Please submit an excerpt from the current commercial register or an equivalent document.)

III. Details of the Central Coordinator to be nominated:

First Name and Last Name

Phone

Email

(The email address must be appropriate to enable personal identification. The use of anonymous or generic email addresses is not permitted.)

IV. Information regarding the use of personal data:

Please note that your personal data will only be processed for provision and administration purposes in connection with setting up access to Deutsche Börse AG's member section as an (entrance) portal to eListing and in line with applicable personal data protection regulations. You can find the DBG privacy policy at https://membersection.deutsche-boerse.com/external/data_privacy.html.
